PROFESSIONAL SUMMARY

Motivated and adaptable undergraduate with strong problem-solving and teamwork skills. Focused on applying academic knowledge and project experience to real-world challenges. Committed to continuous learning, hands-on development, and delivering impactful software solutions.

EDUCATION

Vellore Institute of Technology, Vellore, Tamil Nadu
B.Tech in Electronics and Communication Engineering

[CGPA : 7.81]
Sept 2022 – May 2026

EXPERIENCE

Ramco Cements Limited – Software Intern (Onsite, Chennai)

Jan 2026 – June 2026

- Developed frontend components using React.js and JavaScript for internal web applications.
- Consumed REST APIs and worked with Node.js, Express.js, MongoDB, JWT authentication, and HttpOnly cookies.
- Created Power BI dashboards to analyze operational KPIs and generate business reports.

CHARGEMOD – Intern

May 2025 – June 2025

Project: EV Charger Schematic & PCB Design (Type-1 Charger)

- Designed EV charger schematic in EasyEDA, focusing on system integration and logical flow.
- Selected components, estimated costs, and performed signal/power routing.
- Sub-project: Implemented CAN bus communication using ESP32 & MCP2515 with Arduino (ACAN2515 library).

PROJECTS

Learning Management System (LMS)

- Built a Next.js and Node.js based LMS web application for course management, enrollment, and student progress tracking.
- Implemented secure authentication using Firebase with Google and Email/Password login.
- Designed a responsive, user-friendly interface to ensure accessibility across devices.
- Designed and developed a clean, intuitive user interface with a focus on usability and seamless navigation.
- Integrated REST APIs with MongoDB Atlas for reliable data storage, retrieval, and content delivery.

Lightweight KYC for Bharat

- Next.js + MongoDB solution supporting DigiLocker, Aadhaar upload, and biometric verification.
- Designed secure backend APIs (JWT, encryption, role-based authorization).
- Enabled offline-first retry/resume workflows for rural low-bandwidth conditions.

VoidRift – Full Stack Video Streaming Platform

- Developed full-stack video platform with Next.js frontend and Node.js/Express backend, supporting video uploads, adaptive streaming, and social features.
- Designed secure REST APIs with JWT authentication and integrated MongoDB for user management, video metadata, and comment storage.
- Leveraged Cloudinary for cloud-based video hosting with automatic transcoding to multiple quality levels and CDN-powered global content delivery.

Retail Sales Performance & Business Intelligence Dashboard

- Developed an interactive Power BI dashboard to analyze retail sales using KPI cards, trend analysis, and regional performance visualizations.
- Built multi-page reports for product, customer, order, and sales analysis with interactive slicers, filters, and drill-through functionality.
- Generated business insights through dynamic visualizations, KPI tracking, and performance analytics.

SKILLS

Technologies/Frameworks: Next.js, Node.js, Express.js, MongoDB Atlas, REST APIs, JWT Authentication

Tools: Cloudinary, Power BI, GitHub, VS Code, EasyEDA, Figma , excel , PowerPoint

Soft Skills: Critical Thinking, Team Collaboration, Problem Solving, Time Management

EXTRA CURRICULAR

- EzyGov – Hackathon Project (CodeChef Hackathon 2024)2024
- Built a unified portal connecting government services (Passport, DL, etc.) for simplified citizen access.
 - Developed responsive frontend using HTML, CSS, and JavaScript to streamline multi-service workflows.
 - Collaborated with backend team for API integration and presented the solution under strict timelines.

Technical Engagement

- Volunteered in organizing and supporting multiple college-level technical fests, hackathons, and innovation expos.
- Attended workshops and technical sessions on web development, AI, data analytics, and emerging technologies.

CERTIFICATIONS

- AI Fluency: Framework & Foundations – Anthropic
- Python (Basic) – HackerRank

LANGUAGES

Tamil (Native), English (Fluent – C1), Hindi (Conversational – B1), Malayalam (Conversational – B1)
